

## Jewish Bankers War On America

"Let me issue and control a Nation's money and I care not for who writes it's laws."

-Mayer Amschel Rothschild, 1790

"The Rothschilds introduced the rule of money into European politics. The Rothschilds were the servants of money who undertook the reconstruction of the world as an image of money and its functions. Money and the employment of wealth have become the law of European life; we no longer have nations, but economic provinces." (New York Times, Professor Wilhelm, a German historian, July 8, 1937).

"If you will look back at every war in Europe during the nineteenth century, you will see that they always ended with the establishment of a 'balance of power.' With every reshuffling there was a balance of power in a new grouping around the House of Rothschild in England, France, or Austria. They grouped nations so that if any king got out of line, a war would break out and the war would be decided by which way the financing went. Researching the debt positions of the warring nations will usually indicate who was to be punished." (Economist Stuart Crane).

"They (the Jews) work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each state, long ago, has not hunted them down as pests to society and the greatest enemies we have to the happiness of America."

& Co.

"I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. That menace, gentlemen, is the Jews. In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

"For over 1700 hundred years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But, gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only amongst themselves. They must subsist on other people not of their race. If you do not exclude them from these United States in the Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance, and jeopardized our liberty.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves."

-Benjamin Franklin, at the Constitutional Convention of

1787 in Philadelphia.

(Note Jewish have been howling these quotes are false forever, because the know that they are not false been in fact true and thus a great and damning condemnation of their crimes)

When, on the Day of Atonement, you walk into a synagogue, the very first prayer that you recite, you stand -- and it's the only prayer for which you stand -- and you repeat three times a short prayer. The Kol Nidre In that prayer, you enter into an agreement with God Almighty that any oath, vow, or pledge that you may make during the next twelve months -- any oath, vow or pledge that you may take during the next twelve months shall be null and void.

The oath shall not be an oath; the vow shall not be a vow; the pledge shall not be a pledge. They shall have no force and effect, and so forth and so on.

And further than that, the Talmud teaches: "Don't forget -- whenever you take an oath, vow, and pledge -- remember the Kol Nidre prayer that you recited on the Day of Atonement, and that exempts you from fulfilling that". -Freedman

Sounds like a people you can trust to tell you the truth?

The silent war against America started in 1791 when the Rothschild agent and Jew, Alexander Hamilton in George Washington's cabinet. Was able to set up the legal base for a central bank in America to be born, the "First Bank Of the United States." With a 20 year charter 1811, the charter for Rothschild's "First Bank Of the United States" runs out and Congress votes against it's renewal. In

response to this Nathan Mayer Rothschild threatens the America government with the direct statement " Either the application for renewal of the charter is granted or the United States will find itself involved in a most disastrous war."

The American government refuses to bow to the threat and the vote remained.

Nathan Rothschild upon hearing the news makes the statement "Teach those impudent American's a lesson bring them back to colonial status!" So Britain by this time being firmly under the control of Rothschild's and other Jewish banker families declares war on America. The war of 1812 begins which will last several years and kill thousands and leaves the American capital burned to the ground. The aim of this war for the Jews was to cause the Free Gentile Nation of America to create such a massive war debt in defending themselves they would be forced to cede, and renew the charter.

The plan succeeds in 1816 the American government forced by terrorist tactics of the Jews creates a new 20 year charter for the Rothschilds "Second Bank of America."

In 1832 things start to change Andrew Jackson runs for the second campaign for office on the promise: "Jackson and no Bank!" Jackson angry at the criminal nature of the Rothschilds banking tactics, desires to end their mafia like control on American's money system and put it back into the trust of the American people. Jackson does this by removing all government deposits from the "Second Bank Of American" and into the Gentile owned American Banks.

The Rothschilds then send their agents out to contract the money supply to cause a depression in the Nation to hit, as way to pressure the government. Jackson openly declares them as the crooks they are and vows to route them out. Not long after on January 30th 1835 there is an assassination attempt on President Jackson, he is saved by the fact the assassins pistols both misfire. Later Jackson states he knew the Rothschilds were responsible for the attempt. Jackson not intimidated by the Jewish Banking mafia, continues his long fight against the Rothschilds bank, in 1836 he wins and has their bank cast out of the Nation when their charter is not renewed.

"I am one of those who do not believe the national debt is a national blessing... it is calculated to raise around the administration a moneyed aristocracy dangerous to the liberties of the country."

Andrew Jackson, Letter to L. H. Coleman of Warrenton, N.C., 29 April 1824

Later in 1841 President Tyler vetoes the act to renew the charter of for Rothschilds bank. In response he is threatened with assassin from many "anonymous" sources.

The Civil War in America starts President Lincoln appeals to large New York based banks for loans for the war (Rothschild and the Jewish Banker mafia are behind many of and have influence over these banks) the criminal deal they make him is 24% to 36% on all monies loaned. Another attempt to regain control over American people by debt. Lincoln angry and not stupid simply prints his own debt free money instead outwitting the Jews. Lincoln states of this fact "We gave the people of this republic the greatest blessing they ever had, their own paper money to pay their own debts."

In 1863 Lincoln discover the Tsar of Russia Alexander the II' is having identical problems with the Jewish banks mainly the Rothschilds and was also resisting their attempts to create a Central bank in Russia. The Tsar then comes to the aid of Lincoln by ordering that if England and or France (both under the domination of Rothschild/Jewish banker families) actively came to the aid of the South he would consider this an act of open war. And take up arms on the side of President Lincoln. The Tsar then orders a major part of his Pacific fleet to San Francisco and New York.

In 1865 President Lincoln states: "I have two great enemies the Southern Army in the front of me, and the financial institutions in the rear. Of the two, the one in the rear is my greatest foe." In the same year on April 14, Lincoln is assassinated.

1881 President Garfield states two weeks before he is also assassination: "Whoever controls the volume of money in our country is absolute master of all industry.....and commerce and you when you realize the entire system is very easily controlled, one way or another by a few powerful men at the top,you will not have to be told how periods of inflation and depression originate."

Then in 1913 the Federal Reserve central bank is set up in America, under orders of Jewish puppet President Woodrow Wilson. This act literally hands the America economy over to a handful of power Jewish banking families. Bring what President Garfield warned about to pass.

The main Jewish names behind creating this system of control where:

## The Rothschilds

## The Rockefellers

## The Morgans

## The Warburgs

The placement for this was carried out by Morgan who used his position to publish lies that a powerful bank in New York was bankrupt, knowing it would cause mass panic and chain reaction among the Gentile public causing them to withdraw their monies. Causing the banks to call in all loans which forced the recipients of the loans to sell whatever they had from properties on. Thus a depression was generated by the Jews.

"Early in 1907, New York Times Annual Financial Review published (Jew)Paul Warburg's(a partner of Kuhn, Loeb and Co. first official reform plan, entitled "A Plan for a Modified Central Bank," in which he outlined remedies that he thought might avert panics. Early in 1907, (Jew)Jacob Schiff the chief executive officer of (Jews) Kuhn, Loeb and Co. in a speech to the New York Chamber of Commerce warned that "unless we have a central bank with adequate control of credit resources, this country is going to undergo the most severe and far reaching money panic in its history." "The Panic of 1907" hit full stride in October." [Herrick]"The Panic of 1907 and Some of Its Lessons", Annals of the American Academy of Political and Social Science, vol. 31 (Jan.- June 1908)

"The Morgan interestings took advantage to precipitate the panic of 1907, guiding it shrewdly as it progressed." - Fredrick Allen, Life Magazine

This led to a Congressional investigation headed by Aldrich that stated a central bank should be created to stop such an event from happening in the future. Note Aldrich later married into the Rockefeller family.

In 1910 the Jewish bankers held a secret meeting on a Morgan estate on Jekyll Island where they drafted the Blueprint, and then handed it over to Aldrich, who brought it into Congress.

"Aldrich's investigation led to his plan in 1912 to bring central banking to the United States, with promises of financial stability, expanded international roles, control by impartial experts and no political meddling in finance. Aldrich asserted that a central bank had to be (contradictorily) decentralized somehow, or it would be attacked by local politicians and bankers as had the First and Second Banks of the United States. The Aldrich plan was introduced in 62nd and 63rd Congresses (1912 and 1913) but never gained much traction as the Democrats in 1912 won control of both the House and the Senate as well as the White House." This later became known as the Federal Reserve Act

When in 1913 Woodrow Wilson who was put up and backed by the Jewish bankers was elected President upon the promise to them in return for their financial support to sign the Fed Reserve act into law. At the time the act was frustrated in Congress from passing. The Jews moved, days before the Christmas of 1913 when the majority of the Congress men were home with their families the Federal Reserve act was voted in. And Wilson true to his treasonous word, made it law.

"The Aldrich Plan is the Wall Street Plan. It means another panic, if necessary, to intimidate the people.

Aldrich, paid by the government to represent the people, proposes a plan for the trusts instead." - The Aldrich Plan was a forerunner to that which spawned the Federal Reserve." -Congressman Lindbergh

A world banking system was being set up here, a super state controlled by [Jewish]international bankers acting together to enslave the world for their own pleasure, the Fed has usurped the Government."-Congressman Louis McFadden, upon the passage of the Federal Reserve bill.

This [Federal Reserve Act] establishes the most gigantic trust on earth. When the President signs this bill, the invisible government of the monetary power will be legalized....the worst legislative crime of the ages is perpetrated by this banking and currency bill."

-Congressman Lindbergh

"This Act establishes the most gigantic trust on Earth. When the President signs this bill, the invisible government by the Monetary Power will be legalized, the people may not know it immediately but the day of reckoning is only a few years removed.... The worst legislative crime of the ages is perpetrated by this banking bill."

-Congressman Lindbergh

"The Federal Reserve System virtually controls the Nation's monetary system, yet it is accountable to no one it has not budget, it is subject to no audit, and no Congressional Committee knows of, or can truly supervise it's operations"

-Profession M. Rothbard

President Wilson also brought America into the First War for the Jews, after being elected on the promise of

keeping America out of the war.

The other important reason the Jews wanted American in World War One, was now in control of the American money supply via the Fed Reserve, they need America to enter into the war, which would require the American government to take massive war loans and hook them into debt to the Jewish banks faster and on a monolithic pace.

"At the outbreak of World War 1 the Fed was better positioned than the Treasury to issue war bonds, and so became the primary retailer for war bonds under the direction of the Treasury. After the war, the Fed, led by Paul Warburg and New York Governor Bank President Benjamin Strong convinced Congress to modify its powers, giving it the ability to both create money, as the 1913 Act intended, and destroy money, as a central bank could."

From the confession of one of the key Jewish swindlers involved at the time:

"I was 'confidential man' to (Jew)Henry Morgenthau, Sr., who was chairman of the Finance Committee, and I was liaison between him and Rollo Wells, the treasurer. So I sat in these meetings with President Wilson at the head of the table, and all the others, and I heard them drum into President Wilson's brain the graduated income tax and what has become the Federal Reserve, and also indoctrinate him with the Zionist movement.

Justice Brandeis and President Wilson were just as close as the two fingers on this hand, and President Woodrow Wilson was just as incompetent when it came to determining what was going on as a newborn baby. And

that's how they got us into World War I, while we all slept.

The Zionists in London sent these cables to the United States, to Justice Brandeis: "Go to work on President Wilson. We're getting from England what we want. Now you go to work, and you go to work on President Wilson and get the United States into the war." And that did happen. That's how the United States got into the war. We had no more interest in it; we had no more right to be in it than we have to be on the moon tonight instead of in this room.

Now the war, World War I, in which the United States participated, had absolutely no reason to be our war. We went in there, we were railroaded into it, if I can be vulgar, we were suckered into that war merely so that the Zionists of the world could obtain Palestine. Now, that is something that the people in the United States have never been told. They never knew why we went into World War One. Now, what happened?

World War I broke out in the summer of 1914. Within two years Germany had won that war not a shot had been fired on the German soil. Not an enemy soldier had crossed the border into Germany. And yet, here was Germany offering England peace terms.

While that was going on, the Zionists in Germany, who represented the Zionists from Eastern Europe, went to the British War Cabinet, and they said "Look here, you can yet win this war. You don't have to give up. You don't have to accept the negotiated peace offered to you now by Germany. You can win this war if the United States will come in as your ally."

They [Zionists] told England: "We will guarantee to bring the United States into the war as your ally, to fight with you on your side, if you will promise us Palestine after you win the war." In other words, they made this deal- "We will get the United States into this war as your ally. The price you must pay us is Palestine after you have won the war and defeated Germany, Austria-Hungary, and Turkey."

Now England had as much right to promise Palestine to anybody, as the United States would have to promise Japan to Ireland for any reason whatsoever. It's absolutely absurd that Great Britain [that never had any connection or any interest or any right in what is known as Palestine] should offer it as coin of the realm to pay the Zionists for bringing the United States into the war.

However, they made that promise, in October of 1916, and shortly after that the United States, which was almost totally pro-German; totally pro-German because the newspapers here were controlled by Jews, the bankers were Jews, all the media of mass communications in this country were controlled by Jews, and they were pro-German because their people, in the majority of who came from Germany, and they wanted to see Germany defeat the Czar.

The Jews didn't like the Czar, and they didn't want Russia to win this war. So the German bankers -- the German-Jews -- Kuhn Loeb and the other big banking firms in the United States refused to finance France or England to the extent of one dollar. They stood aside and they said: "As long as France and England are tied up with Russia, not one cent!" But they poured money into Germany, they fought with Germany against Russia, trying to defeat the Czarist regime.

Now those same Jews, when they saw the possibility of getting Palestine, they went to England and they made this deal. At that time, everything changed, like the traffic light that changes from red to green. Where the newspapers had been all pro-German, where they'd been telling the people of the difficulties that Germany was having fighting Great Britain commercially and in other respects, all of a sudden the Germans were no good. They were villains. They were Huns. They were shooting Red Cross nurses. They were cutting off babies' hands. And they were no good.

Well, shortly after that, Mr. Wilson declared war on Germany.

The Zionists in London sent these cables to the United States, to Justice Brandeis: "Go to work on President Wilson. We're getting from England what we want. Now you go to work, and you go to work on President Wilson and get the United States into the war." And that did happen. That's how the United States got into the war. We had no more interest in it; we had no more right to be in it than we have to be on the moon tonight instead of in this room."

A Jewish Defector Warns America: Benjamin Freedman speaks

"President Woodrow Wilson was the fairy godmother who provided Trotsky with a passport to return to Russia to "carry forward" the revolution. This American passport was accompanied by a Russian entry permit and a British transit visa. Jennings C. Wise, in Woodrow Wilson: Disciple of Revolution, makes the pertinent comment, "Historians must never forget that Woodrow Wilson, despite the efforts of the British police, made it possible for Leon Trotsky to enter Russia with an

American passport."

-Wall Street And The Bolshevik Revolution"

Sounds like a loyal American President, does he not?

"Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the United States, in the field of commerce and manufacture are afraid of somebody, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they better not speak above their breath when they speak in condemnation of it."

Woodrow Wilson, *The New Freedom* (1913), Doubleday

The present Federal Reserve System is a flagrant case of the Governments conferring a special privilege upon bankers. The Government hands to the banks its credit, at virtually no cost to the banks, to be loaned out by the bankers for their own private profit. Still worse, however, is the fact that it gives the bankers practically complete control of the amount of money that shall be in circulation. Not one dollar of these Federal Reserve notes gets into circulation without being borrowed into circulation and without someone paying interest to some bank to keep it circulating. Our present money system is a debt money system. Before a dollar can circulate, a debt must be created. Such a system assumes that you can borrow yourself out of debt.

Willis A. Overholser, *A short review and analysis of the history of money in the United States, with an introduction to the current money problem* (1936), p. 56

Once in control with the Federal Reserve the Jews moved quickly with increasing the money supply from 1914 to 1919, much was in loans to smaller banks, in 1920 the

Jews called in the majority of all loans sparking a identical crisis to the 1907 one (the Jews had lied to the public telling the Fed Act passage would prevent such problems- - Hegelian anyone?) This move wiped out over 5400 Gentile banks outside of the official grip of the Jewish bankers and consolidated more power under the Jewish banking Families.

"Under the Federal Reserve Act, panic's are scientifically created as the present panic is the first scientifically created one, worked out as we work out a mathematical equation."- Congressman Lindbergh, on the crash of 1920

From 1921 to 1929 the Jewish Fed replayed this criminal robbery again, the new tool also used was the Margin loan, which allowed a investor to only have to put down 10% of a stocks worth with the other 90% being loaned by a broker. Hence the "Roaring 20's" The catch the Jews put in was the Margin loan could be called in at any time and had to be paid within 24 hours of such "Margin call" The result of such a call is the selling of the stock brought with the loan in question.

1929 the Jewish bankers such as Rockefeller and others withdrawn from the market out the backdoor. On Oct 24, the Margin loans are called in mass waves. Everyone starts selling their stocks at once, in the encoring crash over 16,000 banks are wiped out alone. The Jews then swooped in and brought up the entire socket market at a penny cost. Leaving them in control of numerous corporations across the board. And generally the entire economic system. The Jews then purposely shrank the money supply increasing the depression to the point it is remember to this day as "The Great Depression."

"It was a carefully contrived occurrence, International Bankers sought to bring conditions of despair so they might emerge rulers of us all".-Congressman Madden, on the truth of the Great Depression

Congressman McFadden along term crusader against the Jewish bankers, declared his intention of pushing for an impeachment of the Fed, he had already survived two assassin attempts on his life, the third one was successful McFadden was poisoned at a dinner banquet and died, before he could get the impeachment.

The next step was the Jews had the gold standard abolished "to end the depression" in 1933 the Jews brought about the infamous gold seizure:

Executive Order 6102 required U.S. citizens to deliver on or before May 1, 1933 all but a small amount of gold coin gold bullion and gold certificates owned by them to the Federal Reserve in exchange for \$20.67 per troy ounce Under the Trading With the Enemy Act of October 6, 1917, as amended on March 9, 1933, violation of the order was punishable by fine up to \$10,000 (\$167,700 if adjusted for inflation as of 2010) or up to ten years in prison, or both. Most citizens who owned large amounts of gold had it transferred to countries such as Switzerland."

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves."

-Benjamin Franklin, at the Constitutional Convention of 1787 in Philadelphia.

Why? Make things worse after already robbing their way into total economic power? Problem, reaction, solution. They were creating a fertile ground for a Communist revolution, the Jewish created Communist Party in America ranks swelled to over a million members. They were pulling the same stunt in Germany and else for the same reasons.

"The first order of business for the Illuminati-initiated Jews, who were the was to manifest their prophesied Zion, a world ruled by the chosen people of Yahweh. Plans were set in motion for the Jews to finally have their "land of milk and honey" that had been promised to them for so long [in their own Jew minds] and it would be the entire world.

The opportunity for manifesting their Zion arrived with the Russian Revolution, which was financed by the Jewish bankers. One of their own, the German Jew, Karl Marx [Mordecai Levi], had catalyzed the event with the publication of his Communist Manifesto."

"The fact of the matter is that Communism has been largely financed by rich Jews, starting with the Rothschilds and continuing right on through the Lehmans, Sterns, Oppenheimers, Rosenwalds, and other rich Jewish families right here in America.

For instance, Marx himself was financed by a Jewish soap millionaire, Joseph Fels (Fell-Naptha soap). As already mentioned, Jacob Schiff, the head of Kuhn, Loeb & Co., contributed over \$20 million to his fellow Jew, Leon Trotsky (Bronstein), to put over the capture of the Russian people by the Communist Jews. (New York Journal American, February 3, 1949).

At a mass rally in Madison Square Garden, New York City, celebrating the revolutionary victory in Russia, and attended by tens of thousands of New York Communist Jews, Jacob Schiff, the same multi-billionaire Jewish head of Kuhn, Loeb & Co., sent the following telegram to the Committee in Charge, when he could not appear there in person: "Will you say for me to those present tonight how deeply I regret my inability to celebrate with the Friends of Russian Freedom the actual reward of what we had hoped and striven for these long years!" (New York Times, March 24, 1917, page 2).

-G.Rockwell, Naval Commander and Leader of the ANP.  
(Assassinated by Jewry)

"From the days of Spartacus-Weishaupt[Jew and famous Rothschild agent] to those of[Jew] Karl Marx, and down to [Jew Trotsky] (Russia), [Jew]Bela Kun (Hungary), [Jew]Rosa Luxembourg (Germany), and Emma Goldman[Jew] (United States), this world-wide conspiracy for the overthrow of civilization and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs. Webster, has so ably shown, a definitely recognizable part in the tragedy of the French Revolution. It has been the mainspring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire."

After the Jews Harvest Two, and with the Holyhoax lie Holocaust Denial Videos being built into place, for obvious reasons. The Jewish rule over American in all area's of life was absolute from the governments, to the economy, the Media, the schools and on.

The Jews now fully entrenched in the all the key positions of power unleashed their own "Cultural Revolution" on American society in the radical sixties and on with Cultural Marxist of the Jewish Frankfurt School.....because Global Communism is, was and shall always be the end goal for Global Jewry.

"In this New World Order the children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come, the Jews will have all the property of the whole world in their hands."

Baruch Levy, Letter to Karl Marx (Mordecai Levi), 'La Revue de Paris', p.574, June 1, 1928 The Gulf of Tonkin was staged, to get America into a war that could destabilize society enough to create the grounds for such "Cultural Revolution" social programmers know you can advance a society in a couple of years with a war, that it would take decades in peace. Hegelian, problem, reaction, solution.

Did you think the creators of Communism wanted to fight it? Or it was about the money from the Jewish race that literally owns, prints and controls all the money?

The last major President to oppose the Jewish bankers was President Kennedy.

On June 4 1963 President Kennedy signs Executive Order 11110 which returns the American government the ability to print it's own currency again, without having to deal with the Federal Reserve."

- Kennedy from a letter found on his, planned to go public on the Jewish control of America.

"The answer to the Kennedy assassination is with the Federal Reserve Bank. Don't underestimate that. It's wrong to blame it on (CIA official James Angleton and the CIA) per se only. This is only one finger of the same hand. The people who supply the money are above the CIA.'

- Wife of accused assassin Lee Harvey Oswald, told to author A.J. Weberman

In the infamous Nixon tapes, President Nixon openly admits the Jewish run America and he lives in terror of them. Can you blame him.
